Forecast For East of England
Issued by Met Office Exeter
at 0400 on Saturday 08 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Wet this morning, drier and mild this afternoon. Windy. Milder.

Today:
Rain, locally heavy, at first. Then drier but cloudy conditions spread northeast to all areas by mid afternoon. Some warm bright or sunny spells may develop later for Essex and Suffolk. Feeling milder. Windy with sometimes strong winds. Maximum temperature 17 deg C (63 deg F).

Tonight:
Dry, largely cloudy for western areas but clear spells will develop for eastern locations. Mild everywhere though, with the wind slowly easing. Minimum temperature 9 deg C (48 deg F).

Sunday:
Western areas cloudy, with patchy light rain probably arriving. Sunny spells further east and the highest temperatures, although there is an increasing chance of thundery showers moving northwards later. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Sunny spells and scattered showers each day, these mainly in the afternoon and evenings and sometimes heavy. Temperatures will be close to, or slightly below, normal.
